

Are you a Carer?

If you are looking after someone who couldn't cope without your help, we really would like you to let us know, so that we can ensure you receive all the support and information we can give. A carer is anyone who cares, unpaid, for a friend or family member who due to illness, disability, a mental health problem or an addiction cannot cope without their support. You are a Young Carer if you are under 18 in this role.

You can be added to the practice 'carer register' and gain access to information and support. This includes access to a named Carer Champion.

A Carer Champion is a staff member at your practice who support carers.

The Carer's Champion at this practice is Chloe Barton and Abigail Shalloe
